A1. Static process equipment

- A1001. Atmospherical cylindrical storage tanks
- A1002. Vertical storage tanks
- A1003. Vertical silo's aluminium or AISI 304
- A1004. Vertical silo's in plastic material
- A1005. Cylindrical vessels with hemispherical head
- A1006. Columns
- A1007. Internals
- A1008. Filling
- A1009. Carbon steel heat exchangers
- A1010. Stainless steel heat exchangers
- A1011. Combination carbon steel and stainless steel heat exchanger
- A1012. Plate heat exchangers

Dace Price Booklet
Edition 30

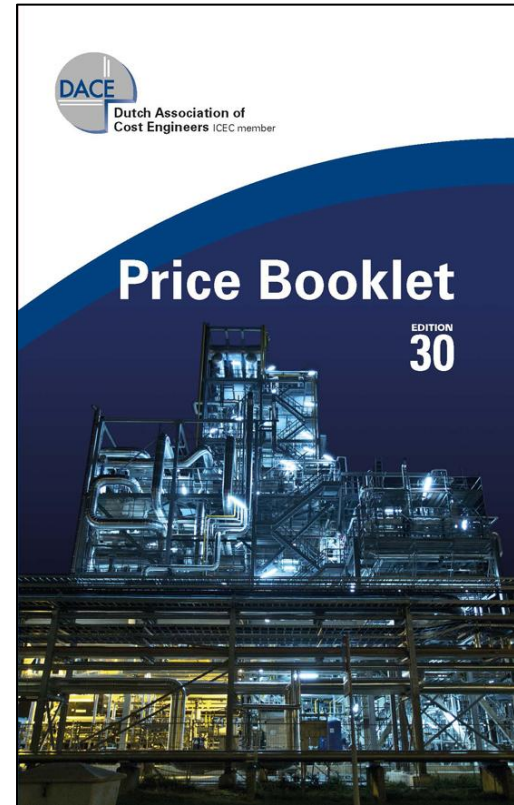

Practical and **essential** for:

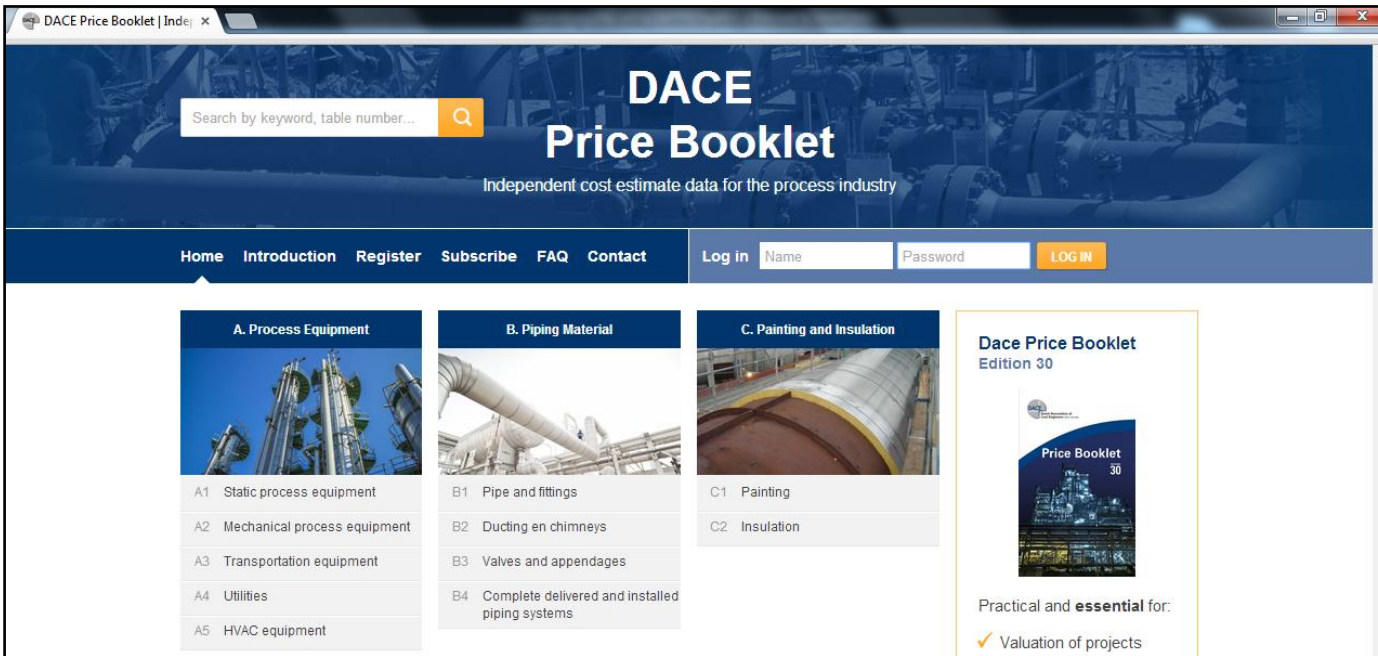

- ✓ Valuation of projects
- ✓ Cost consideration of alternative implementations
- ✓ Reviewing prices in offers

30^e druk van het boekje:

- Volledig geactualiseerd
- Toegang tot de website
- Vanaf nu in het Engels om optimaal aan te sluiten op de vaktaal
- Bij Engelstalige informatie hoort ook een ander naam: DACE Price Booklet

DACE Pricebooklet - klaar voor de toekomst!
